The Area

Tala is a prestigious, well cared for traditional village with spectacular views to the coastline. The village has several excellent tavernas and coffee shops and is popular with both residents and visitors alike. For golfing enthusiasts, the course at nearby Tsada Village is a mere 10 minutes away, whilst Kato Paphos bristles with its excellent local and continental restaurants and an array of lively bars and night clubs can be reached within a few minutes. With the culmination of many historical and archaeological treasures, myths, legends and stunning scenery, it is no wonder this the area is popular with those seeking a peaceful, relaxed lifestyle but wish to be within close proximity to all amenities.

Nestled in the South-West corner in probably the most beautiful part of the island and sheltered from the North by the Troodos mountains, Paphos, once the Roman capital of the island, enjoys mild winters and warm, seemingly endless summers. The irrigation system has helped to turn Paphos into the “garden of Cyprus” and it is also renowned as having one of the healthiest climates in the Mediterranean.

Paphos has become the focus of one of the most exciting areas for real estate investment in the eastern Mediterranean. The Government and private enterprise continue to invest heavily in the infrastructure, providing such features as extending the motorway network, extensive improvements to the quaint harbour of Paphos and coastal walkway, a new state-of-the-art marina is planned for around 1000 yachts and upgrading the International Airport into one of the most modern in the Mediterranean basin.
